

Sandell

Scott Sandell

Hometown:

Long Island, New York

Inspiration: designing
and racing sailboats

Additional Inspiration:
mixing the design
aesthetics of Eastern and
Western culture

Media: Japanese papers,
silk screen designs,
photography and painting

Collections: numerous
museums and universities
across the US

Luxe Dimensions

Studio EL has developed a unique combination of materials and fabrication methods for our innovative Luxe Dimensions works.

By layering a first printed substrate one inch above a second using aluminum spacers, what was formally a two-dimensional piece becomes a sculpture. This effect creates depth, contrast and activity to every work. Most importantly, the imagery within the work is accentuated through the collage-like structure.
